

HINDU COLLEGE, GUNTUR – 522 003

(Re-accredited by NAAC as Grade 'A' with CGPA 3.07)

Main Road, Opp. Sri Venkateswara Vignana Mandir, Guntur

DEPARTMENT OF MATHEMATICS Y. SREEKANTH, LECTURER IN MATHEMATICS STUDENT CENTRIC ACTIVITIES - 2018-19

Seminar - 1

Title of the Event : On Environmental Protection

Date and Time : 18-09-2018 2.10 PM to 3.00 PM

Venue : H3

Co-ordinator : Y. Sreekanth

No. of Staff Members Involved: One (Dr. S.V.S. Girija)

No. of Students Involved : 50 I B.A. MES, HEP, EHP

Objective of the event : To make students well versed with awareness of environment protection

Plan and Execution : Student seminar is conducted in regular class time. Some of the students explained the measures to be taken for environment protection and how to convey this to public.

Outcome of the Event : Students gained knowledge of Environment protection

Evidences : Pictures

Pi Day Celebrations

Title of the Event	: On Pi value
Date and Time	: 14-03-2019 10.00 TO 10.50
Venue	: H2
Co-ordinator	: Y. Sreekanth
No.of Staff Members Involved:	One (Dr. S.V.S. Girija)
No.of Students Involved	: 95 I B.A. MES, I B.Sc. MPC, MPCs, MSCs, MECs
Objective of the event	: To make students aware of PI value and works done on the same
Plan and Execution	: Pi Day celebrations are organized for Mathematics Students. Y. Sreekanth delivered talk on history of PI and works done on evaluating to various decimal places.
Outcome of the Event	: Students gained knowledge of results on Pi
Evidences	: Pictures

STUDENT CENTRIC ACTIVITIES - 2018-19

It is a transcendental number, meaning that it cannot be a solution of an equation involving only sums, products, powers, and integers. The transcendence of π implies that it is impossible to solve the ancient challenge of squaring the circle with a compass and straightedge. The decimal digits of π appear to be randomly distributed,[a] but no proof of this conjecture has been found.

10:03

🕒 2day is PI Day (3.14) 🕒

Pi day is an annual celebration of Mathematical constant π . The approximate value of $\pi=3.14$, it is marked on March 14 which if written in the format of month/date which includes the first three significant digits of the value of π .
