2021-2022

Group- Discussions

Title of the Event : Group Discussions
Date : 23-07-2022
Venue : Zoology Department
Coordinator : P.Nancy Shobha Rani
Topic : Importance of Fishery
Industry : in India

Objective of the Group Discussion:

1. Produce a range of options or solutions addressing a particular problem or an issue
2. Generate a pile of ideas by examining issues in greater depth, looking at different dimensions of these issues.
3. Border the outlook of the participants through exposure to new and different ideas and enrich their understanding of the issues under discussion.
4. Effective means of changing attitudes through the influence of peers in the group.

Evidence : Photo

Outcomes of the events:

- Participants knew how to speak with confidence how to exhibit leadership skills and how to make the group achieve the goals.
- Group discussions help students develop critical thinking skills, improve communication skills, increase self-confidence and build team work.
- Group discussion promote a deeper understanding of a topic and increase long term retention.
