Convener : **Dr. P. VENUGOPAL**

Executive Committee : **R. Saritha**
Dr. A.Rajaseskhar

INDIAN ECONOMIC ASSOCIATION
AND
DEPT. OF ECONOMICS, HINDU COLLEGE, GUNTUR
JOINTLY ORGANISED
ONE DAY NATIONAL WEBINAR ON
QUALITY ENHANCEMENT IN HIGHER EDUCATION
THROUGH NEW EDUCATION POLICY, 2020

DATE : 11-08-2020 TIME:
4.00 PM to 6.00 PM

The Theme of the Webinar:

The National Education Policy 2020 (NEP 2020), launched on 29 July 2020, outlines the vision of India's new education system. NEP 2020 focuses on five pillars: Affordability, Accessibility, Quality, Equity, and Accountability – to ensure continual learning. It has been crafted consistent with the needs of the citizens as a demand for knowledge in society and economy called for a need to acquire new skills on a regular basis. Thus, providing quality education and creating lifelong learning opportunities for all, leading to full and productive employment and decent work as enlisted in United Nations Sustainable Development Goals 2030, forms the thrust of NEP 2020. The new policy replaces the previous National Policy on Education, 1986 and forms a comprehensive framework to transform both elementary and higher education in India by 2040. The NEP 2020 calls for key reforms in both school and higher education that prepare the next generation to thrive and compete in the new digital age. Thus, there is much emphasis upon multidisciplinary, digital literacy, written communication, problem-solving, logical reasoning, and vocational exposure in the document.

The NEP 2020 was conceived to raise the Gross Enrolment Ratio (GER) from the current 26 percent to 50 percent by 2030 in the higher education space. It aims at building the overall personality of students by strengthening infrastructure for open and distance learning, online education and increasing the use of technology in education.

Objective of the Webinar:

The main objective of the seminar is to enlighten the faculty across the country about National Education Policy with special emphasis on Higher Education system in India.

Outcome of the Webinar:

The major objective of the Webinar achieved as the participants are about 900 and registrations are around 1700. It is observed that, the National Research Foundation (NRF) will be set up to boost research work in the country. A National Accreditation Council (NAAC) envisaged as a single regulator for higher education institutions across the country will be established. The Higher Education Council of India (HECI) will have multiple verticals to fulfill various roles. Efforts will be undertaken to set up a National Recruitment Agency for all government recruitment exams, and a Common Eligibility Test (CET) for various recruitment exams of the same level. In this context, the speakers enlightened the participants in various dimensions of the Policy.
