

Webinar on World Biodiversity Day Celebrations.

Date: 22-05-2022

No. of students attended: 17

Name of the department : Department of Botany

Event Name : Webinar on World Biodiversity day

Chief guest : Dr. P. Brahmaji Rao

Programme Co- Ordinator : Dr. G. Ramesh

Topic : International Biological Diversity Day

Aim of the event :

To bring awareness among students and staff about biodiversity.

Programme procedure:

Dr. P. Brahmaji Rao, Environmental professor, ANU, is the chief guest and gave a good lecture on the role of biodiversity in human life. All the students and staff are invited through a zoom meeting link. The lecture was started by Dr. P. Brahmaji Rao garu. The fauna and flora of India and Andhra Pradesh, due to increase in population the forest is cut down and so may the plant and animal species be disappearing, in order to maintain the ecological balance, the students and the public

should practice In-situ and Ex-situ conservation. The rare and endangered species is disappearing. Our Chief guest stated that there is an urgent need to protect the species. Dr. P. Brahmaji Rao has given the list of rare, endemic, endangered, threatened species of India and AP. In his lecture he also stated that, Due to pollution, the pollen grains are much affected and do not show the pollination process. Webinar ended by discussing certain threats to biodiversity and by the student interaction with the chief guest.

Outcome of the event:

The students and staff are benefitted in knowing the importance of biodiversity and its conservation methods.

HINDU COLLEGE GUNTUR
DEPARTMENT OF BOTANY
One Day Webinar 22-05-2022 Sunday 11-00 AM
On the occasion of International Biological Diversity Day

Biodiversity remains the answer to several sustainable development challenges. From nature-based solutions to climate, health issues, food and water security, and sustainable livelihoods, biodiversity is the foundation upon which we can build back better. We celebrate the International Day for Biological Diversity, to raise awareness of the vital importance of preserving biodiversity.

Topic: **We are the part of solution to conserve the biological diversity**

Speaker :
Dr. P. BRAHMAJI RAO
