

DEPARTMENT OF BOTANY

Two Day National Level Workshop & Competition for Bio – Science Students

Dates: 19 – 20 July 2019

Venue: Department of Botany

Objective: To inculcate research orientation in students in Graduation level
Department of Botany came forward to organize Two Day National Level Workshop in collaboration with IIT, Chennai and also planned to organize competition for Bio – Science students of various colleges in Guntur District.

Performance: Department of Botany in association with IIT, Chennai conducted Two day National workshop and competitions for Bio – Science students in Hindu College, Guntur. Students from different colleges of Guntur district participated in workshop. Overall 50 students participated in workshop. Faculty members from IIT, Chennai gave lectures and also demonstrated certain experiments.

Day 1: Inaugural function is organized to make delegates to get acquainted with faculty and resource persons from IIT, Chennai.

Day 2: Practicals are conducted to participants. Competitions are also conducted to them. Finally valedictory function is organized.

Outcome: Participants acquired knowledge on Bio – Technology practical and experimental work. They were very much inspired for higher studies. Students participated in competitions and are selected for National level competitions. All the students received certificates from IIT, Chennai.

Number of students attended: 50

NATIONAL WORKSHOP

ON 19-07-2019

HINDU COLLEGE, GUNTUR
Department of Botany
INVITATION
"NATIONAL LEVEL WORKSHOP AND COMPETITION FOR BIO-SCIENCE STUDENTS"
ASSOCIATION WITH SHAASTRA FEST (IIT MADRAS EVENT)

Date: 19th & 20th July
Topic: Molecular Biology

Workshop Outline:

- 1) Recent research, trends, applications and future Perspectives of molecular biology.
- 2) Extraction of genomic DNA, gel electrophoresis and PCR mechanism.

Highlights:

- 1) Workshop duration - 2 days (Morning 10:00 am to Evening 5:00 pm) Industry experts as Trainers.
- 2) Participants will receive Prior and Certificate in each round.
- 3) Top 3 students selected from the workshop would be participating in final Round at IIT campus.
- 4) Internship assistance for all Participants.
- 5) Working lunch and snacks will be provided for all the Participants.
