

HINDU COLLEGE :: GUNTUR

7.3.1

The Distinctive Area of Priority and Thrust

Vibrant Activities to Learn Beyond the Class Room

Hindu College, in its journey of 87 years, has created a niche for itself as a pioneer in quality initiatives to promote global citizens with national consciousness, social responsibilities and humane values. Top placed Alumni is the evidence of our Distinctiveness in providing quality education that looks beyond academic accomplishments to nurture academic excellence with life skills for their personal fulfillment and professional success.

The thrust area of building transformative multi-faceted learning ecosystem at Hindu College, is primarily embedded in its vision of creating “*a new era of promoting quality education that is replete with human values*” through a plethora of ‘beyond the curriculum activities’. We always keep our campus vibrant with opportunities galore to nurture talent, build competencies and confidence among students to face challenges in the context of rapidly changing global dynamics. The following are some of the evidences of success:

- The college has been focusing on innovative and creative ways of disseminating, sharing and facilitating knowledge development in students by specially concentrating on Student centric Activities. We train the student by conducting student seminars, guest lectures, quiz, debating, group discussions, field works, field trips, etc. **During the last five years we have conducted more than 1400 student centric activities** along with 15 national/international webinars.
- A special emphasis is given to Sports & Cultural activities. Students are trained to perform excellently in Theatrical Arts and our students performed a great deal in Youth Festival conducted by Acharya Nagarjuna University during last five years. We have trained our students in acting on stage and they have excelled and bagged 2nd place for the last 3 years in the Youth Festival conducted by Acharya Nagarjuna University and selected for South Zone. To showcase various hidden talents by young students on every third Saturday of the month ‘Srujana Sandhya’ a open dias is conducted to give an open opportunity to students. Our Lalitha Kala Samithi regularly organises many events starting from debates essay writing , quiz, music, singing, mono-acting, dramas to mehendi, rangoli and many other such competitions for students.

- In sports, Hindu College stands at the Top in performance. The college has also organized University level sports meets. We have MOU with AP Cricket Association and we have APCA Cricket nets in college. During the post-accreditation period 03 of our students have participated in national /state level in Taekwondo, body building, power lifting. Our students have won medals and trophies in cricket, volley ball, Kabbadi, Hockey, Chess at University level.
- Along with celebrating the days of national importance, arranging motivation lectures, flash mob on social issues, dramas and mono actions on social evils and importance of human relations, we also conducted various Fests and Exhibition like Commerce Fest, Botany Fest, Science Exhibition, Sankranti celebrations, Karthika vana samaradhana etc are organized to give platform for students to exhibit their talents and hone their managerial skills. Another notable one is “Earn to Serve”. We encourage our students to donate their earnings from these fests to the needy. Every year our students distribute blankets, food, fruits etc., to Orphans and aloned old people.
- Similarly, to bring about a sense of responsibility for society and environment and there by infuse patriotism in them, we have strong 3 NCC (01 women), 01 NSS, 01 Scouts & Guides Units. These units have conducted numerous extension activities in near community. We have received awards and appreciations for blood donation camps, Swatchatha programme, various Awareness Rallies and Service activities. These units bring sense of oneness and selfless service attitude among the students.
- “Change is the Law of Life”. Since adoptability to Change is crucial in running any institution, we leave no stone unturned to mould the stakeholders as per the need. During the post-NAAC period, we introduced 10 new UG/PG programmes with different industry related courses like Food technology, seed technology, Bio-medical, Land Scaping, Home Science etc. with different combinations. We started 03 NSQF Skill courses at M.Voc., and a PG Diploma. In the coming years we are planning to introduce a good number of single major UG programmes in the place of the present 03 major system.
- Another priority area is career guidance and skill enhancement. In 2004, we started “Saadhana” to educate the students regarding career beyond graduation.

Mock tests, Mock interviews and Personality development training programmes are conducted at regular intervals by Jawahar Knowledge Centre and APSSDC. On the other hand, certain departments took the responsibility of enhancing the various skills among the students. For instance, the department of English arranges certificate/add-on programmes to improve LSRW skills. Similarly, the departments of Mathematics, Economics, Physics, Statistics arrange courses to improve the Problem solving skills of the students. The department of computers arranges good number of events to increase the technical skills of the students.

All the above mentioned '**Vibrant Activities**' have accelerated the pace of our adaptation to progressive change and today many of our students are in top positions in various fields enhancing the image and prestige of their *alma matter*. Hindu College is proud of its alumni who occupy various positions of distinction in different fields. Former Chief Minister of Andhra Pradesh and Former Governor of Tamil Nadu Late Sri Konijeti Rosaiah; Sri. J. Satyanarayana; I.A.S., Former Chairman, UDAI; Government of India, Prof. Podili Appa Rao, Vice- Chancellor of University of Hyderabad, Prof. KRS Sambasiva Rao, former Vice-Chancellor, Mizoram Central University, Sri M.S.K. Prasad, former Chairman of the Selection Committee BCCI, Prof. Dr. Swaminathan, Member, Planning Commission, Sri G.V.G. Krishna Murthy, former Election Commissioner, Sri K. Viswanath renowned Cine Director and a host of others have spread the fame of the Alma-matter far and wide.

It is a fact that, most of our students hail from poor families with rural background. Some of them are even first generation students. Being a socially responsive organization the institution is forever looking at improving the society through neighborhood management and other community based activities rather than financial benefits. The institute continues to serve the rural students with weak socio-economic background and achieve greater heights.

Visit to Mutluru Mirchi Fields

Name of the Event : Visit to Mutluru Village Fields to study pest on Chilly corp

Date : 15-02-2022

Venue : Agricultural Fields, Mutluru, Guntur District

Co-ordinator : Dr. N. KRISHNA

No. of Staff members involved : 05

No. of Students participated : 45

Objective of the Event : Among the students to develop awareness on plant diseases particularly a pest on Mirch Crop which is causing severe problem at Mutluru in Guntur district.

Plan and Execution: Our department faculty members with 45 boys and girls of B.Sc. and M.Sc students in our college bus went to Mutluru village .There we observed certain fields which are facing this problem with the pest . The local farmers explained the situation .They told that there is a severe loss of the yield due to this pest

Out come of the event: Students came to know about impact of the insect Tamara on chilli crop. They gained knowledge about plant diseases and symptoms with practical experience and also the seasonal changes and their influence on the plant health and yield.

A study on Pest problem on Chilly at Mutlur village by B.Sc.Botany students of Hindu College 15/2/22

మిరపలో తెగుళ్లపై విద్యార్థుల అధ్యయనం

గోరంట్ల, న్యూసెంటుడే: మిరప పంటను ఆశిస్తున్న తెగుళ్లపై అమరావతిరోడ్డులోని హిందూ కళాశాల వ్యక్తశాస్త్ర విభాగం అధ్యాపకులు, డిగ్రీ బోటనీ విద్యార్థులు అధ్యయనం చేస్తున్నారు. ఈమేరకు మంగళవారం ముట్లూరు గ్రామంలో మిరప పంటను పరిశీలించారు. పలువురు రైతులతో మాట్లాడి వారి నుంచి వివరాలను అడిగి తెలుసుకున్నారు. కార్యక్రమంలో అధ్యాపకులు కె.వి.ఎస్.దుర్గాప్రసాద్, సుబ్రమణ్యం, కృష్ణ, విద్యార్థులు పాల్గొన్నారు.

DEPARTMENT OF ZOOLOGY

Title of the Event : Field Visit

Date : 06-12-2018 Time :

Venue : Local Fish Market

Co-ordinator :C.D.Balaswamy

No. of Staff Members involved : 01

No. of Students participated : 25

Objective of the Event : Students learn about selling fish and fish products.

Plan and Execution : Department of Zoology organized a visit to local fish market, Guntur on 06-12-2018

After Noon by walk.

Outcome of the Event : Student learn about the locally available edible fishes the number of varieties of fish was truly astonishing the students this visit made for an interesting learning experience in aquaculture practices.

DEPARTMENT OF PG CHEMISTRY

Title of the Event : Guest Lecture by Dr. Partha Saradhi on basic research process in chemistry

Date : 15-07-2022

Time : 11.00-12.30 PM

Venue : Seminar Hall

Co-ordinator : D. Pooja

No. of Staff Members involved : 6

No. of Students Participated : 79

Objective of the Event : To develop the interest of the students towards research activities in various fields of chemistry.

Plan and Execution : In this lecture sir, motivated the students towards research work and gave detailed explanation through PPT about the research process to be followed in the chemistry.

Outcome of the Event: Excellent motivation to students for there research activity after post graduation.

Suggestions: Sir gives a detailed explanation about Basic Research Process. If he could present a mini research project lively, student could have been more benefitted.

YOGA DAY

21-6-2018

Every year physical education department members will observe International Yoga Day. This year Department of Physical Education and NSS Unit jointly organized International Yoga Day. We invited a Yoga master and we assembled around 500 students in our seminar hall. The yoga master demonstrated and also explained about yoga.

NSS UNIT – 1

VANAMAHOTHSAVAM at Yanamadala

19-08-2018

NSS volunteers along with some other students & Staff members of nearly **100 strength** made a very purposeful activity of plantation at a nearby village Yanamadala. We have taken some fruit yield trees of nearly 1000 from the forest Department. We engaged a tractor to carry all the plants later we went to the village and planted these plants in the villagers houses asking them to take care of the plants our college Secretary & Correspondent certain village heads also participated encouraged us.

Vanam manam programme at Yanamadala

LALITHAKALA SAMITHI& NSS

Flash mob

28-12-2018

Hindu college Lalitha Kalasamithi (Quiz, Debating a fine art association) is a prestigious organization nearly **100 students** involve in various cultural & literary events. Lalitha Kala Samithi and NSS Unit jointly organized a public awareness program, viz., Flash Mob. This year with **50 students** under the guidance of a dance master Prasanth prepared for a flash mob. It is about 15-20 minutes western dance simultaneously carrying a message to the public .Earlier we have taken the permission from the police to demonstrate our activity in public .After getting police permission we performed at 4 important heavy traffic junctions .We blocked the traffic and gave the performance, entire city watched our event. In the process,we conveyed a very good message to the public. Hindu college for the first time performed the Flash mob

REDCROSS SOCIETY – 2020-21

Government of India has taken extensive steps to manage COVID19 during lockdown. To supplement the efforts of the government, Indian Red Cross has mobilized first tranche of essential supplies consisting of face masks, protective body suits, Ventilators and Thermal guns. Red Cross of Guntur district also extended services to public. In support of relief activities of Red Cross Society of Guntur wing, Hindu College Management, Guntur donated Rs. 50000 to Red Cross. Dr. D.N. Deekshit, Vice – Principal and Sri P.M. Prasad, HoD of Physics handed over cheque to Sri G.Y.N. Babu, Secretary, Red Cross, Guntur District on 20-04-2020.

15 CADETS HAS PARTICIPATED IN FREE MEDICAL CAMP ON 10-1-2020 ORGANISED BY NSS UNIT HINDU COLLEGE GUNTUR
