DEPARTMENT OF CHEMISTRY      SL.NO

## EXPERIENTIAL-C2

**Title of the Event** : Industrial Visit  
**Date** : 10-08-2017      Time : 10.00AM  
**Venue** : Jocil  
**Co-ordinator** : V. Mani Kumari  
**No. of Staff Members involved** : 4  
**No. of Students Participated** : 30

### **Objective of the Event :**

The Program to visit JOCIL Chemical Industry is designed to train students to acquire knowledge and Practical skills than can make the to be employable.

### **Plan and Exectuion :**

Students gathered in college campus on 10-08-2017 at 10.00am. we went to the industry by bus. It is 20kms far from the college campus.

### **Outcome of the Event:**

Students learned how to prepare soaps, shampoos and other manufacturing items. To know which latest machinery is used in manufacturing. They collected the total information from that industry and need marketing skills.

### **Suggestions:**

The tour is innovative and knowledgable.

### **Evidences :**

Field trip to Joci

**DEPARTMENT OF CHEMISTRY      SL.NO**

**Participative-C2**

**Title of the Event** : Guest Lecture (Advances in super  
conducting Materials and fuel cells)

**Date** : 21-10-2017      Time : 11.00am

**Venue** : Seminar Hall

**Co-ordinator** : Dr. T. Uma Maheswara Rao

**No. of Staff Members involved** : 5

**No. of Students Participated** : 30

**Objective of the Event :**

Super conducting and subsequently emphasized the importance of super conductive materials and its applications.

**Plan and Execution :**

Department staff organized the programme, and no of students come to seminar hall and listen the guest lecture.

**Outcome of the Event:**

The students understood the basics and importance of super conducting materials and advantages.

**Suggestions:**

Learn the importance of super conducting materials and advantages.

## EXPERIENTIAL-C2

**Title of the Event** : Govt. Pesticide Lab Visit.  
**Date** : 06-11-2017 Time : 11.00AM  
**Venue** : Pesticide Lab  
**Co-ordinator** : Dr. T. Uma Maheswara Rao  
**No. of Staff Members involved** : 4  
**No. of Students Participated** : 30

### **Objective of the Event :**

The Pesticide Lab is established by Govt. for Promotion of integrated Pest Management ensuring safe and quality Pesticides for sustaining crop Production.

### **Plan and Exectuion :**

Students gathered in college campus on 06-11-2017 at 11.00am. we went to the lab by bus. It is 5km from the campus.

### **Outcome of the Event:**

Students learned the integrated pest management and got to know which Pesticides are benefit and loss to the crops.

### **Suggestions:**

Do not use more Pesticides. Farmers must use ISI branded Pesticides for crops.

### Problem Solving

**Title of the Event** : Preparation of Washing Powder

**Date** : 14-08-2018 Time : 11.00am

**Venue** : Class Room (Campus)

**Co-ordinator** : N. Suneetha

**No. of Staff Members involved** : 3

**No. of Students Participated** : 20

#### **Objective of the Event :**

Prevent Soap Scum and insoluble salts from remaining on your clothes.  
It works on surface of cloths and breakup the dust and oil dots

#### **Plan and Execution :**

Students arranged the chemicals and distilled water to prepare the washing powder.

#### **Outcome of the Event:**

To know how to prepare the domestic purpose washing clothes.

#### **Suggestions:**

Easily to prepare clothes.

#### **Evidences :**

### Participative

**Title of the Event** : Guest Lecture on Medical Coding.  
**Date** : 20-08-2018 Time : 11.00AM  
**Venue** : Seminar Hall  
**Co-ordinator** : Dr. T. Uma Maheswara Rao  
**No. of Staff Members involved** : 5  
**No. of Students Participated** : 25

### **Objective of the Event :**

Understanding and translating medical information and patient diagnoses into medical code using various classification system.

### **Plan and Execution :**

Students comes to Seminar class and put their signature on the programme.

### **Outcome of the Event:**

It is useful to conversion of procedures, healthcare diagnoses, medical services.

### **Suggestions:**

Know about data entry validation, data processing.

Evidences:

Smt. Sirisha gave Guest Lecture  
on Medical Coding.

Date: 20-8-2018.

Outstanding career opportunities for all life science graduates with 100% refundable course

### What is Medical coding?

Medical coding is analysing the patients medical records and convert the disease, procedure, service and material supply into universally accepted alphanumeric codes by using icd-10-cm, cpt -4 and hcpcs coding books.

#### ELIGIBILITY :

- BPT(Physiotherapy), ● BDS(Dental),
- BAMS, ● BHMS, ● B.Pharm, ● M.pharm.,
- Msc., ● B.sc. Nursing and all Paramedical and all life science Graduates.

#### OUR TRAINING COVERS :

- Human Anatomy and Physiology
- Medical Terminology
- Medical Terms and Surgical Terms
- Pathology
- Analyzing the Patient's Records
- ICD-10-CM official Coding Guidelines for Diagnosis Coding
- CPT-4 for the Services and Surgery Coding
- HCPCS -II for Hospital Supply and Drugs Coding.
- Compliance and Regulatory required for Medical Coding

#### OUR INSTITUTION HIGHLIGHTS :

##### FREE MEDICAL CODING MATERIALS WORTH 3000 RUPEES

- More than 50 topic wise aapc pattern practice tests
- 5 Mock Tests
- 1 Grand Test
- Communication Skills Training will be Provided to Student to Crack the Interview
- Mock Interviews will be Conducted
- 100% Job Assistance

## Participative-C2

**Title of the Event** : Work shop (Soap Oil preparation)

**Date** : 11-02-2022 Time : 2.00pm

**Venue** : Chemistry Lab

**Co-ordinator** : Dr. T. Uma Maheswara Rao

**No. of Staff Members involved** : 4

**No. of Students Participated** : 25

### **Objective of the Event :**

The soap oil preparation is aim to clean articles of clothing, utensils etc. for maintenance of general hygiene by human beings.

### **Plan and Exectuion :**

Students gathered in the campus on 11-02-2022 at 2.00 pm. We brought chemicals for the preparation Distilled Water and equipment are arranged.

### **Outcome of the Event:**

The soap oil is prepared easily for the domestic purpose also. Large quantity of soap is prepared with less amount. Students learned how to prepare the soap oil.

### **Suggestions:**

It is easily prepared for domestic purpose. It is very cheap for the preparation.

## Experiential-C2

**Title of the Event** : National Science Day  
**Date** : 28-02-2022 Time : 11.00am  
**Venue** : Seminar Hall  
**Co-ordinator** : Dr. T. Uma Maheswara Rao  
**No. of Staff Members involved** : 8  
**No. of Students Participated** : 35

### **Objective of the Event :**

It is celebrated every year on February, 28 each year to mark the discovery of the Raman effect students comes to seminar hall at 11.00am. staff also comes to the function and delivered about the C.V. RAMAN.

### **Plan and Exectuion :**

It si celebrated to keep people aware and spread a message about the importance of scientific theories and applications in every life importance of scientific theories.

### **Outcome of the Event:**

Importance of science and whats the recent development of science.

### **Suggestions:**

## Participative-C2

**Title of the Event** : Current Research Opportunities in Material  
Science – A back bone of Modern Teaching.

**Date** : 06-07-2022 Time : 11.00am

**Venue** : New Seminar Hall

**Co-ordinator** : Dr. T. Uma Maheswara Rao

**No. of Staff Members involved** : 5

**No. of Students Participated** : 50

### **Objective of the Event :**

Material science and engineering drives innovation in both research and Industry in everything from aerospace to medicine.

### **Plan and Execution :**

### **Outcome of the Event:**

In Material Science and engineering will have demonstrated and ability to identify formulate and solve complex engineering problems and applying principles,

### **Suggestions:**

It is good and innovative to the students, what is in present material are used.

**Title of the Event** : Aazadika Amrit Mahotsav  
(Science and Technology Competitions)

**Date** : 03-08-2022      Time : 2.00 to 5.00 PM

**Venue** : New Seminar Hall

**Co-ordinator** : N. Suneetha

**No. of Staff Members involved** : 3

**No. of Students Participated** : 35

**Objective of the Event :**

The competition is to motivate young people to engage with science, to encourage them to work in science and technology. No of scientist increases in this technology, the country will get best position in the world.

**Plan and Exectuion :**

By the call of central government the college conducted Aazadika Amrit Mahotsav in the campus. On the behalf of Chemisty Department. We conducted competitions . on Science and Technology.

**Outcome of the Event:**

Students learned different types of latest technology using in Medicine, Agriculture and Stellites.

**Suggestions:**

Due to the competitions students got awareness on Science and Technology

## Experiential-C2

**Title of the Event** : Industrial Visit  
**Date** : 20-09-2022 Time : 10.00am  
**Venue** : AP Zenco, Vijayawada  
**Co-ordinator** : Dr. T. Uma Maheswara Rao  
**No. of Staff Members involved** : 3  
**No. of Students Participated** : 30

### **Objective of the Event :**

The programme to visit AP ZENCO Chemical industry is designed to train students to acquire knowledge and Practical skills that can make them to be employable.

### **Plan and Execution :**

Students gathered in college campus on 20-09-2022 at 10.00am. We went to the industry by bus. It is 35kms far from the college campus.

### **Outcome of the Event:**

### **Suggestions:**
