# DEPARTMENT OF PHYSICS

## ADD-ON COURSE ON “CELL PHONE REPAIRING”

### OBJECTIVES:

This programme is designed to educate our students about Mobile Phone construction, working, troubles that are generally pop-up in a smart phone and how to repair the common problems that were arose in smart phones. This programme covers all the topics that are necessary to learn for repairing and servicing mobile phones.

## ADD ON COURSE

The department of Botany is conducting an add on course on "Terrace Gardening". This is to invite all B.Sc [B.Z.C.] students who are interested to join.

## ABOUT THE COURSE

The Department of Botany is conducting an add course on Terrace Gardening, which is very much helpful to the students. So we invite the students to apply for this course. The course comprise of daily 2 hours for 15 days, with both theory and practical classes.

At the end of the course an evaluation will be conducted and we will award the certificate which is very much valid.

Interested students can register their names in the Department of Botany.
